1. Overview and Eligibility

Meridian Analytics Inc. offers a comprehensive benefits package designed to support employees' physical health, financial security, and long-term wellbeing. This guide summarizes benefits available for the 2026 plan year. It is intended as a summary only; complete plan documents and summary plan descriptions (SPDs), which govern in the event of any discrepancy, are available on the MeridianHR Benefits portal.

Regular full-time employees (30+ scheduled hours per week) are eligible for full benefits beginning the first day of the month following their date of hire. Regular part-time employees scheduled for at least 20 hours per week are eligible for prorated medical, dental, and vision benefits. Temporary employees and interns are not eligible for the benefits described in this guide.

New hires must complete enrollment within 30 days of their eligibility date; a failure to actively enroll results in default coverage under the Company's base medical plan with employee-only coverage. Outside of this initial window, changes to elections can only be made during Open Enrollment (held each November) or following a qualifying life event, such as marriage, birth of a child, or loss of other coverage.

2. Medical, Dental, and Vision Coverage

Meridian offers a choice of three medical plans administered by Meridian's carrier partner, alongside standalone dental and vision coverage. Monthly premium contributions below reflect the Company's 2026 cost-sharing structure for employee-only coverage; family tier rates are available on the Benefits portal.

Plan	Deductible (Individual)	Employee Monthly Premium	Plan Type
Meridian Choice PPO	\$750	\$95	PPO
Meridian Value HDHP + HSA	\$2,000	\$40	High-deductible w/ HSA
Meridian Complete HMO	\$500	\$120	HMO

Employees enrolled in the Meridian Value HDHP are eligible to open a Health Savings Account (HSA), to which the Company contributes \$600 annually for employee-only coverage and \$1,200 for family coverage, deposited in equal installments each pay period. Dental coverage (Meridian Dental PPO) and vision coverage (Meridian VisionPlus) are each available for a flat employee contribution of \$8 and \$5 per month respectively for employee-only tiers.

3. Retirement Savings

Meridian sponsors a 401(k) plan administered through Fidelity Investments. Employees are automatically enrolled at a 4% contribution rate 45 days after their hire date unless they opt out or elect a different rate. Contributions may be made on a pre-tax, Roth, or combined basis, subject to annual IRS limits.

Feature	Details
Company match	100% of the first 3% contributed, plus 50% of the next 2%
Vesting schedule	Immediate vesting on employee and matching contributions
Auto-escalation	Contribution rate increases 1% annually each January, up to 10%, unless declined
Plan administrator	Fidelity Investments

4. Income Protection and Insurance

4.1 Life and AD&D; Insurance

Meridian provides Basic Life and Accidental Death & Dismemberment (AD&D) insurance equal to one times annual base salary, up to a maximum of \$300,000, at no cost to the employee. Employees may purchase Supplemental Life insurance for themselves, a spouse or domestic partner, and dependent children at group rates through payroll deduction, up to a maximum of five times annual salary or \$750,000, whichever is lower, subject to evidence of insurability above certain thresholds.

4.2 Disability Insurance

Short-Term Disability (STD) coverage, fully paid by the Company, replaces 60% of base pay for up to 90 days following a seven-day waiting period, for a qualifying non-work-related illness or injury. Long-Term Disability (LTD) coverage, also fully paid by the Company, replaces 60% of base pay (up to a monthly maximum of \$12,000) beginning on day 91 of an approved disability.

5. Wellness and Work-Life Benefits

- **Employee Assistance Program (EAP)** — up to 8 free confidential counseling sessions per issue, per year, for employees and household members, available 24/7 at 1-855-555-0142.
- **Wellness reimbursement** — up to \$400 per calendar year toward gym memberships, fitness classes, or wearable fitness devices.
- **Commuter benefits** — pre-tax payroll deductions for transit passes and qualified parking, up to IRS monthly limits.
- **Tuition reimbursement** — up to \$5,250 per calendar year for job-related coursework or degree programs, subject to manager and People & Culture approval prior to enrollment.
- **Family planning support** — fertility treatment and adoption assistance reimbursement up to \$10,000 lifetime maximum per employee.
- **Employee Stock Purchase Plan (ESPP)** — eligible employees may purchase Meridian stock at a 15% discount through after-tax payroll deductions, subject to plan terms.

6. Flexible Spending Accounts

Employees may elect to contribute to a Healthcare Flexible Spending Account (FSA) and/or a Dependent Care FSA on a pre-tax basis during Open Enrollment. 2026 IRS contribution limits are \$3,300 for the Healthcare FSA and \$5,000 for the Dependent Care FSA (per household). Healthcare FSA elections include a \$660 carryover provision into the following plan year; unused Dependent Care FSA funds do not carry over and are forfeited under the “use-it-or-lose-it” rule, consistent with IRS regulations.

7. How to Enroll

All benefits elections are made through the MeridianHR Benefits portal. New hires will receive a system invitation within three business days of their start date. Required steps are outlined below.

Step	Action	Deadline
1	Review plan options and compare costs using the online decision-support tool	Within 30 days of eligibility date
2	Submit elections and designate beneficiaries for life insurance	Within 30 days of eligibility date
3	Upload dependent verification documents (marriage certificate, birth certificate, etc.)	Within 30 days of eligibility date
4	Confirm elections via the emailed confirmation statement	Within 5 days of submission

Employees experiencing a qualifying life event must report the change and submit supporting documentation within 30 days of the event to make a corresponding benefits election change. Outside of this window, elections remain locked until the next Open Enrollment period.
