1. Introduction to the Knowledge Center

The Meridian Knowledge Center (“the Library”) is maintained by Corporate Services to support employee research, professional development, and continuing education. Located on the 3rd floor of the Portland headquarters, with satellite reading rooms in the Austin and Raleigh offices, the Library provides access to physical and digital collections, quiet study areas, and bookable meeting rooms. This document sets out the rules governing use of the Library and its resources by all employees, contractors, and approved guests.

1.1 Hours of Operation

Location	Weekday Hours	Weekend Hours
Portland (HQ) — 3rd Floor	7:00 a.m. – 8:00 p.m.	9:00 a.m. – 3:00 p.m. (Sat only)
Austin — Reading Room	8:00 a.m. – 6:00 p.m.	Closed
Raleigh — Reading Room	8:00 a.m. – 6:00 p.m.	Closed
Digital Library (online)	24 hours	24 hours

The Library is closed on all Company-observed holidays. Access outside posted hours requires a badge with after-hours clearance, issued by Corporate Services upon manager approval.

2. Membership and Access

All active Meridian employees are automatically enrolled as Library members upon hire and may access collections using their standard employee badge. Contractors and interns may request a guest membership, valid for the duration of their engagement, by submitting the Library Guest Access Form to library@meridiananalytics.com. Guest members are subject to the same borrowing rules as employees unless otherwise noted.

Membership is non-transferable. Sharing of badge credentials to grant Library access to unauthorized individuals is a violation of both this policy and the Company Code of Conduct.

3. Borrowing Rules

3.1 Loan Periods and Limits

Material Type	Loan Period	Item Limit	Renewals Allowed
Business & industry books	21 days	8 items	2 renewals
Trade journals & periodicals	7 days	4 items	1 renewal
Reference materials	In-library use only	N/A	Not applicable
Training DVDs / media kits	14 days	3 items	1 renewal

Material Type	Loan Period	Item Limit	Renewals Allowed
Laptops & A/V equipment	3 days	1 item	No renewal

Renewals may be requested online through the Library Catalog System up to two days before the due date, provided no other member has placed a hold on the item. Reference materials, archival records, and rare or single-copy items are restricted to in-library use and may not be checked out under any circumstance.

3.2 Holds and Recalls

Members may place a hold on any checked-out item through the online catalog; items are held for pickup for 5 business days after notification before being released to the next member in the queue. The Library reserves the right to recall an item prior to its due date if required for an internal training session or audit reference, with at least 48 hours' notice to the borrowing employee.

4. Fines and Lost or Damaged Materials

Circumstance	Charge
Overdue book or journal (per item, per day)	\$0.25, capped at \$10 per item
Overdue A/V equipment or laptop (per day)	\$5.00, capped at \$50 per item
Lost item	Full replacement cost plus a \$10 processing fee
Damaged item (repairable)	Cost of repair as assessed by Library staff
Damaged item (beyond repair)	Full replacement cost

Outstanding fines exceeding \$25 will result in suspension of borrowing privileges until the balance is cleared. Fines and replacement charges may, at Corporate Services' discretion, be deducted from an employee's final paycheck upon separation if unresolved after 60 days, subject to applicable wage deduction law.

5. Conduct in the Library

The Library maintains distinct zones to accommodate different working styles. Members are expected to observe the following:

- The Quiet Study zone (east wing) requires silence at all times; phone calls and conversations are not permitted.
- The Collaboration Room may be used for discussions and calls and can be reserved via the Room Booking system.
- Food is not permitted near print collections; covered beverages are allowed at designated tables.
- Reshelving of browsed materials should be left to Library staff to preserve catalog accuracy.
- Reservation of study carrels is limited to 4 consecutive hours when other members are waiting.
- Removal of reference or archival materials from the premises is strictly prohibited.

6. Digital Library and Research Databases

The Digital Library provides remote access to e-books, industry research databases (including IBISWorld and Gartner), and archived internal reports. Access is granted through single sign-on with an employee's Meridian credentials. Licensing agreements with database providers strictly prohibit bulk downloading, redistribution outside the Company, or use of automated scraping tools against these resources; violations may result in suspension of an individual's or the Company's access to the affected database.

Employees seeking access to a research resource not currently licensed by the Library may submit a request through the Knowledge Center Request Form; requests are reviewed monthly by the Corporate Services budget committee.

7. Interlibrary Loan and External Requests

For materials not held in the Meridian collection, employees may request an interlibrary loan through partnership arrangements with the Portland Public Library system and the Association of Corporate Information Professionals. Requests typically take 5–10 business days to fulfill and are limited to three outstanding interlibrary requests per employee at any time.

8. Policy Enforcement

Library staff are authorized to enforce these rules, including denial of service to members with significant unresolved fines or repeated conduct violations. Disputes regarding fines, access, or conduct determinations may be appealed in writing to the Director of Corporate Services within 15 business days of the incident.
